Skills Analysis Activity

Episode: Coffee cultivators, Marine Mammal Rescuer, Ostrich Rancher

1. Describe what employability skills (page 65 of your textbook) are needed in each of the jobs Mike attempts in this episode. Remember, employability skills include academic, teamwork and personal management skills.

Academic: _____

Teamwork: _____

Personal
management: _____

2. Describe three examples of organization skills (p.76) used by Mike and other experts in the video to be successful in their jobs.

3. Mike is clearly under stress during his initial training in each job. What stress management techniques can Mike use to minimize his stress (p.78)? Do you think Mike handles himself well under stress? Explain why or why not.

4. What examples from the video can you find that demonstrate effective or ineffective communication strategies? What evidence can you find that shows that Mike Rowe uses active listening skills?
